There is no funding impact to the City related to these reports. However, the City does receive interest revenue based on the interest rate of the investments.

No or minimal future staff time is projected.

ALTERNATIVES:

The following alternatives are provided for the Council's consideration:

- Recommended Alternative - Approve staff's recommendation to receive and file the attached report listing the investment deposits.

- Provide direction to staff

ADVANTAGES:

Safety of principal is the foremost objective of the City. Investments are undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio.

DISADVANTAGES:

Some level of risk is present in any investment transaction. Losses could be incurred due to market price changes, technical cash flow complications such as the need to withdraw a non-negotiable Time Certificate of Deposit early, or even the default of an issuer. To minimize such risks, diversifications of the investment portfolio by institution and by investment instruments are being used as much as is practical and prudent.

ENVIRONMENTAL REVIEW:

No environmental review is required for this item.

PUBLIC NOTIFICATION AND COMMENTS:

The Agenda was posted at City Hall and on the City's website in accordance with Government Code Section 54954.2.
