

PROJECT RECORD

City of Arroyo Grande Bridge Street Bridge Improvement Project Stakeholders Group Meeting

Project Update

Meeting

Teleconference

Date: December 7, 2016

Time: 9:00 AM

Location: Arroyo Grande City Hall
2nd Floor Conference Room
300 East Branch Street Arroyo Grande, CA

Attendees: See attached sign in sheet

Prepared by: Geoff English, Public Works Director

I. Self-Introductions / Sign-In Sheet

Self-introductions were conducted and the sign-in sheet distributed.

II. Alternatives studied during environmental / 65% design phase

The alternatives were listed on the agenda should they be needed for reference.

III. Elimination of Replacement Alternative

The reasons for eliminating the Replacement alternative was shared with the group by Mark Reno and Greg Young. After discussion and questions, it was motioned by Steve Ross and seconded by Chuck Fellows that the Replacement alternative be eliminated from further study/design. The vote to eliminate the Replacement alternative was unanimous.

IV. Sidewalk Plank Material & Spacing

Discussions regarding the pros and cons of wood versus composite materials was discussed. After discussion, it was motioned by Bill Hart and seconded by Bob Lund that timber planks be used for the walkways on the bridge. The vote to use timber planks instead of composite material was passed four to two.

V. Public Comment

There was no public comment received.

VI. Additional information requests / direction to staff

There was no further information or direction to staff.

VII. Next Steps

City Council meeting regarding elimination of Replacement alternative– January 24, 2017

Tentative community meeting for overall project update – February 2017

Note: *These minutes are the preparer's understanding of the items discussed at the meeting. If discrepancies are noted, please contact the preparer within three days of receipt.*
